

Primary Parent Planner

Connecting your school community

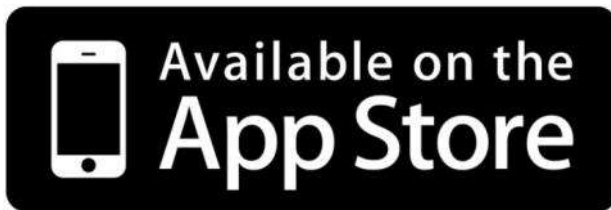

The communication
App for Primary
Schools!

Rettendon School and Little Darwins are delighted to be using Primary Parent Planner to provide parents with a smartphone app tailored to provide reminders about all events that involve their children at school.

Let's Get Organised

- Get reminders of upcoming events directly to you smartphone
- Sync to your smartphone or Google Calendar
- Never be disorganised for a school event again

Downloading the App

- To download the app is FREE
- Just search for

Primary Parent Planner
Connecting your school community

in your App Store

- To unlock the potential of the app costs **£1.49** per family per year via an in-app purchase

Allowing you to sync to your calendar and receive notifications of upcoming events

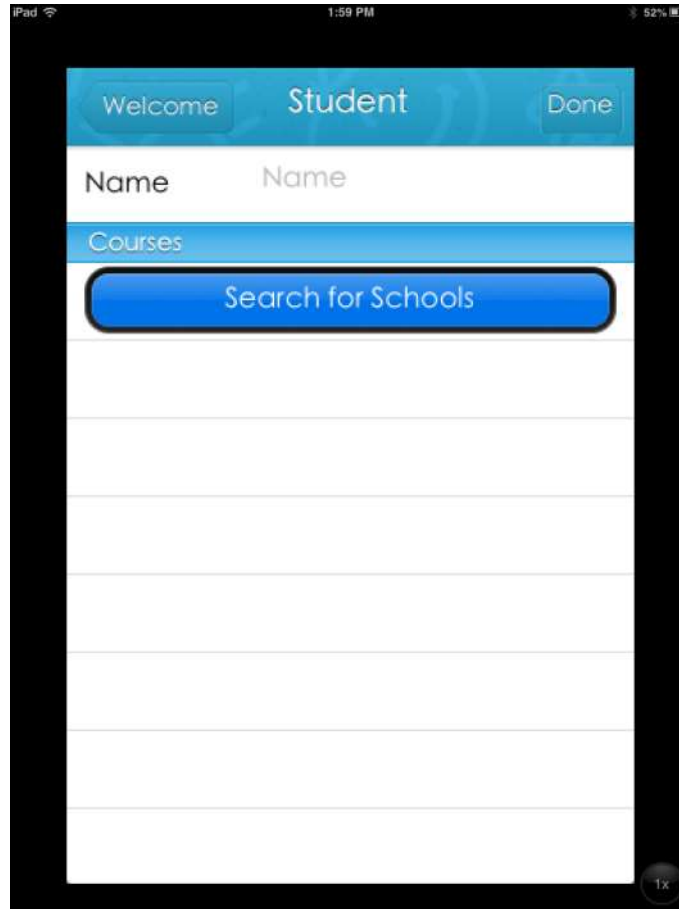

How to use the app

- The following screenshots are taken from an iPhone, the app on Android devices may look slightly different but works in the same way

- Open the app and
Press the next button

**Enter your
son/daughter's
name**

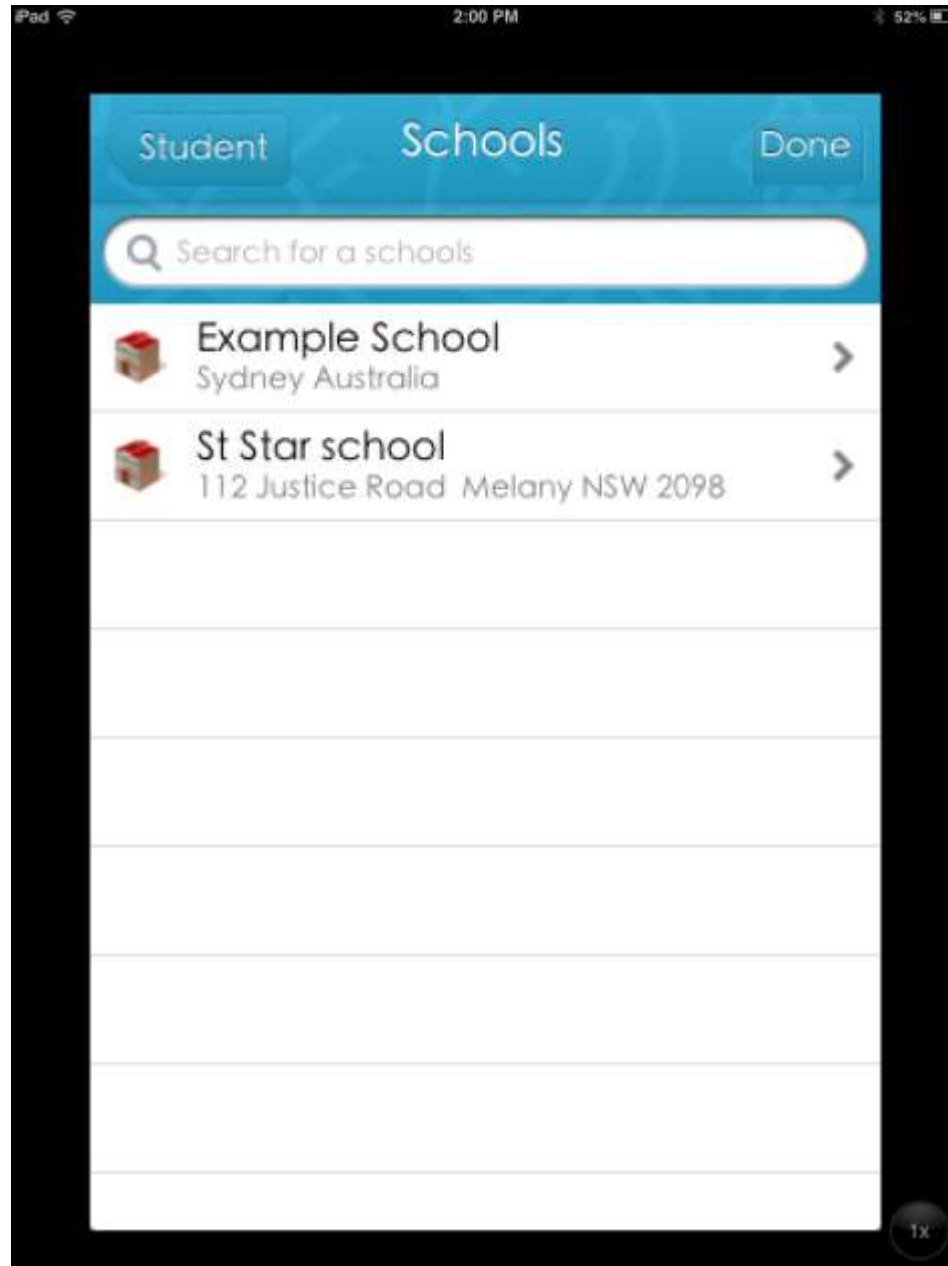

The screenshot shows an iPad app interface. At the top, there is a blue header bar with three buttons: "Welcome", "Student", and "Done". Below the header, there are two input fields, each labeled "Name". A blue bar labeled "Courses" is positioned below the input fields. Underneath the "Courses" bar is a large blue button with rounded corners that says "Search for Schools". Below this button is a list of empty white rows with horizontal lines, intended for displaying search results. The iPad status bar at the top shows "iPad", signal strength, "1:59 PM", and "52%" battery. A small "1x" magnification icon is visible in the bottom right corner of the app area.

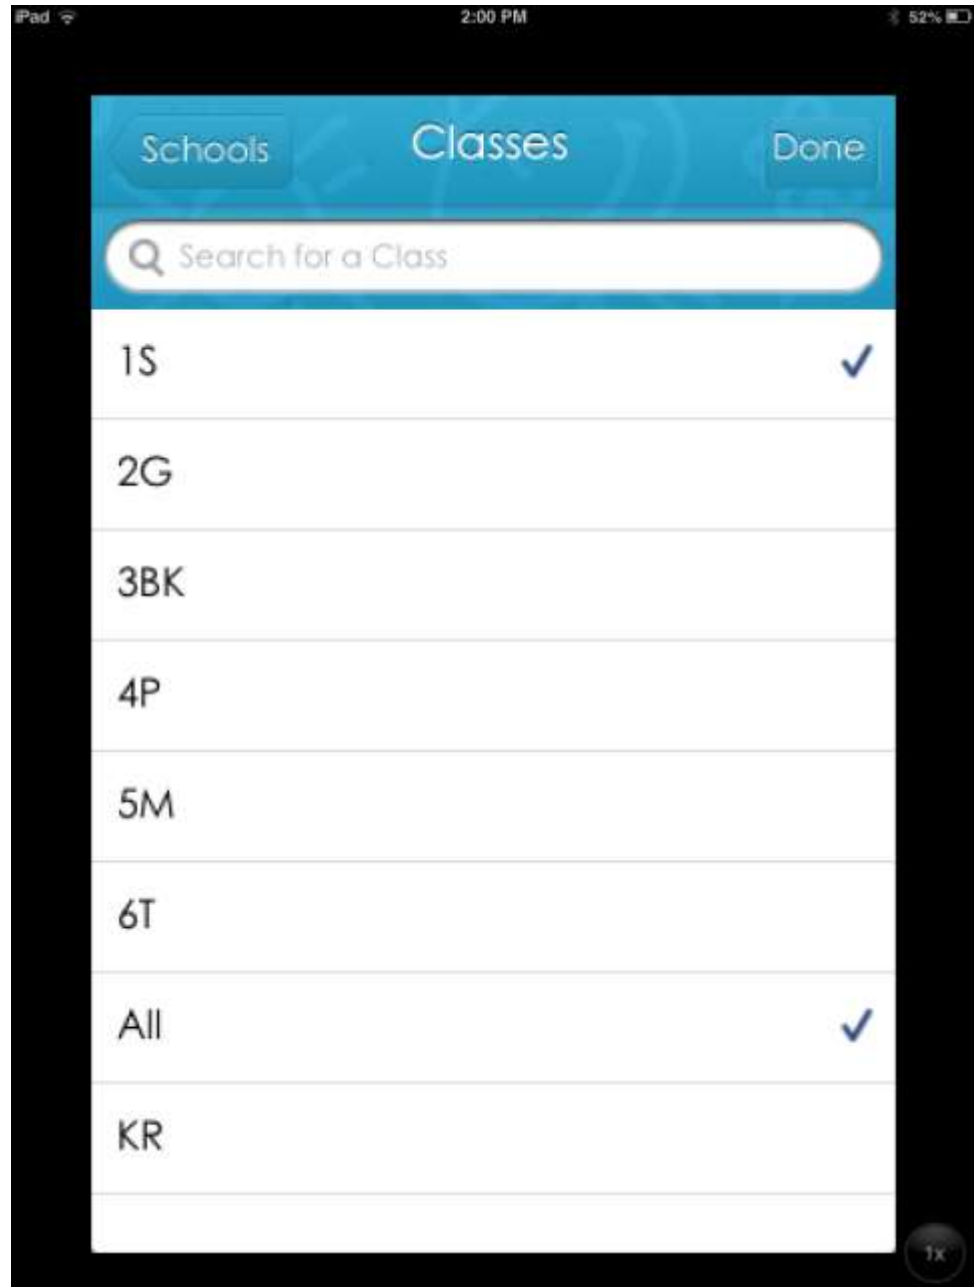

**Then click 'Search
for School'**

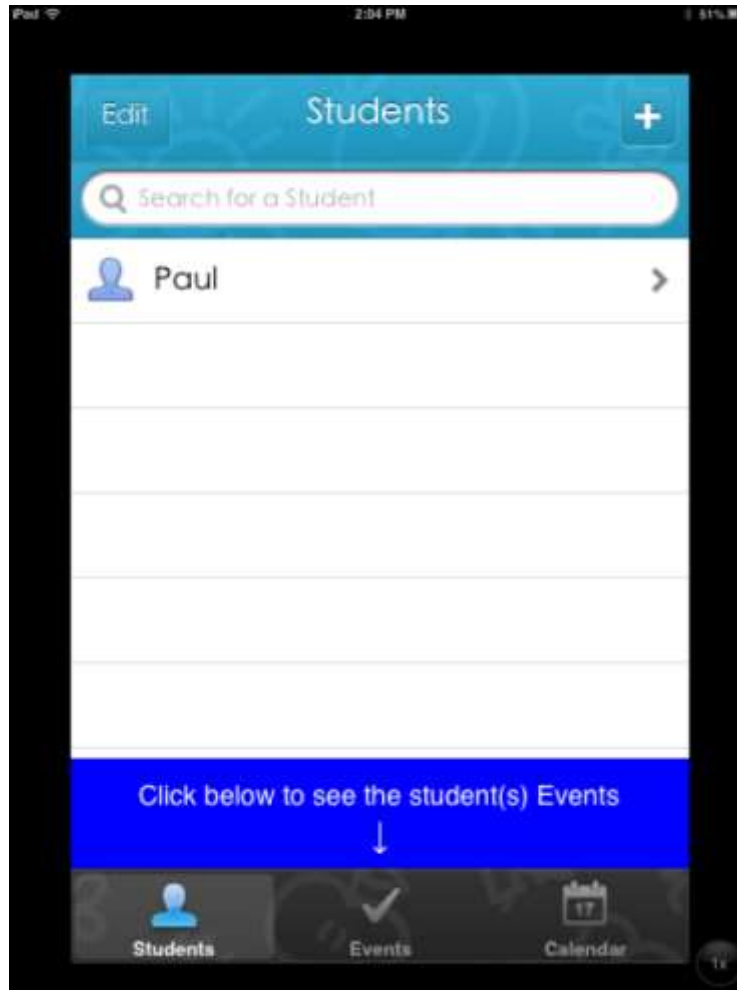

Select
Our School

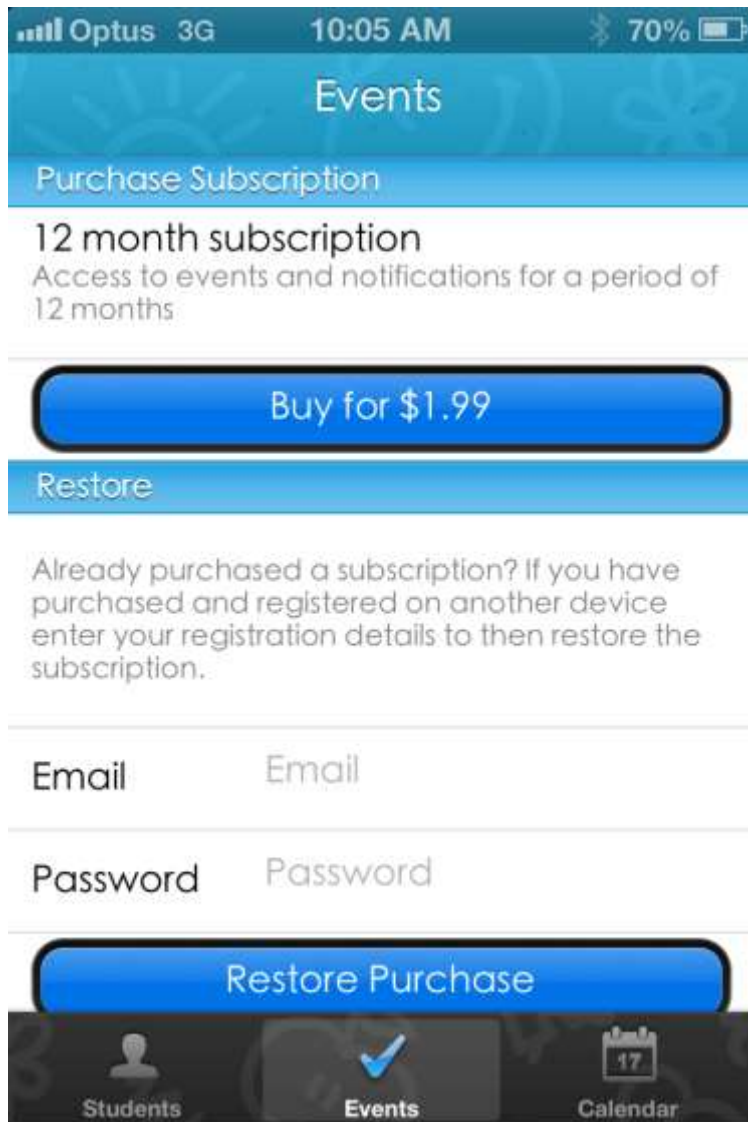

Choose your son/daughter's class. All choose all to receive dates for whole school events

**Click 'Events' to
see upcoming
Event**

**Add as many
students as you
like in the same
way if you have
more than one
student at the
school – the £1.49
is for the whole
family**

To view the events you will need to make an in-app-purchase once a year

This will allow a family to view as many students as they want on up to 5 devices

Click on an event to see more detailed information

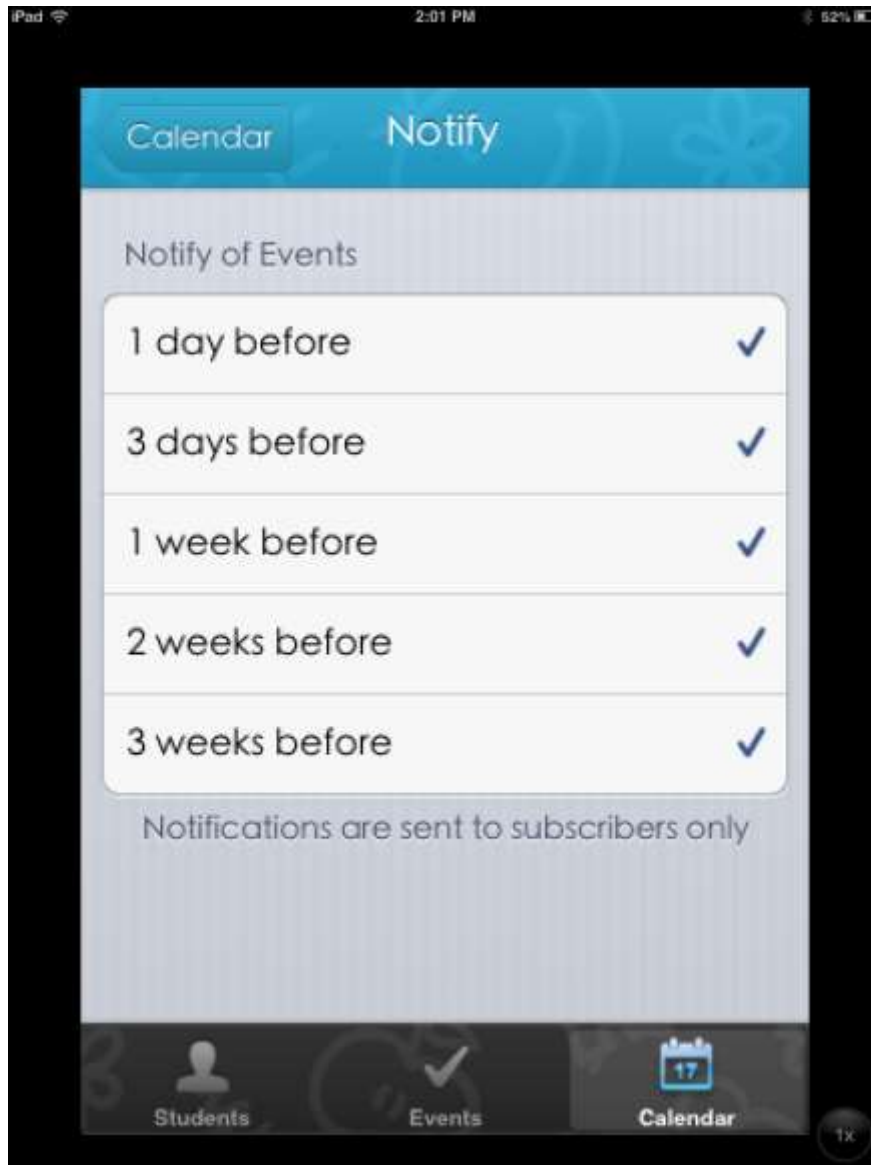

- **Date**
- **Event**
- **Class**
- **Other Information**

Click 'Calendar' to download to your smartphone

**Need a
Reminder?**

**Notify yourself
of an upcoming
assessment**

Sharing a Subscription

- You can share a subscription across multiple devices – so pay once and...
 - View on your Android/iPhone**
 - View on your tablet/iPad**
 - Each parent/student can subscribe**
- First you need to register the account. Go to the ‘events’ screen on the app and press the account button in the top right hand corner (on your original device). Choose a username and password to use. (Not your itunes account).
- Download the app on another device.
- Go to **events** then enter the details you used to originally register the app and press the **restore** button to restore the subscription.

Need Help?
