

Rettendon School Music Academy

During the Autumn term of 2008 we launched our new academy for music. This is a very exciting opportunity for the school and the local community and allows us to offer a much broader range of experiences for our pupils during music lessons and clubs. The academy also caters for adults as well as children who would like private tuition in any of the instruments listed below.

The Music Academy is supported by qualified instructors from Essex Music Services and other providers. The range of instruments that is available during school lesson times, clubs and for private tuition is as follows:

Guitar
Drums
Keyboard
Piano

We are also able to offer singing lessons.

We may be able to arrange lessons for other instruments as we hold a wide range at school.

If your child is interested in having music lessons please contact the school office.
