June Newsletter

Welcome to the June newsletter. Inside are all the updates and news items including information on September.

September Preparations and Staff Changes

This summer Mrs Dillon retires from teaching after over 30 years of dedicated service to the profession, 20 years of that at our school. Over the years Mrs Dillon has taught hundreds of children and led the development of ICT, History and English. Her experience and professionalism will be sorely missed but I am sure you will join me in wishing her a very long, healthy and

happy retirement., taking with her many happy memories of our school.

We have completed the recruitment of a new teacher to join our team and her name is Miss Smith. Miss Smith is an experienced teacher, currently **Head of Year** at a large London Primary School. The children will meet her in July when she visits the school as part of her induction.

Sports Day

Thursday 26th June

We will be opening Sports Day with a long distance event (similar to last year) and there will be finishers medals and trophies for the first three places. There will also be all the traditional races afterwards so please try and join us. On the day, please send your child in to school with an extra bottle of water (pre-frozen if possible).

This is for your child to take onto the field during the races and should not be part of their packed lunch. The bottles will be stored by the teachers in the classrooms until Sports Day begins. Please ensure sun-screen has been applied before school and your child has a sun-hat.
